Averages of admitted students, fall 2010:  
ACT: 19  
High School GPA: 2.8

### WHAT MAKES ALVERNO GREAT:

- More than 92% of our undergraduate students who enrolled last year received a merit scholarship for their academic performance in high school or in a previous college.
- Alverno College ranked first in the Midwest for doing “the best job of educating undergrads” in *U.S. News & World Report’s* 2011 America’s Best Colleges.
- Alverno graduates are well known for demonstrating and applying what they have mastered throughout their education in their careers and throughout areas of their life. Employers and graduate schools alike are impressed with the outstanding skills and experience that is typical of an Alverno graduate.

## BELOIT COLLEGE

700 College Street  
Beloit, WI 53511-5509

Coed. \$35. Deadlines: Early Action I 11/1, notification 12/15; Early Action II 12/1, notification 1/15; regular decision 1/15, notification prior to 4/1. Requires SAT or ACT, essay, and two recommendations. Interview required in some cases, optional for most candidates. Mid-senior grades may be required.

ACT scores of admitted students, fall 2010:  
25<sup>th</sup> percentile: 25  
75<sup>th</sup> percentile: 30

### WHAT MAKES BELOIT GREAT:

- The Center for the Sciences, a LEED-certified state-of-the-art building, received platinum status, the highest recognition awarded, and is one of only three buildings in the state of Wisconsin to receive this distinction.
- A landmark building in downtown Beloit, the former public library, was gifted to the college by area business leader Diane Hendricks. The facility has now been transformed into the Hendricks Center for Artistic Expression, an educational center for music, dance and other activities joining the college and the community.
- Funding from the Margaret A. Cargill Foundation has allowed the college to launch the Sustainability Fellows Program. A group of Beloit College students are spending their summer measuring energy usage—and loss—in century-old campus buildings, leading classes at a local environmental center and researching ways to extend the saleable life of locally produced food items, among other projects.
